

Injectables

BOTOX® Cosmetic

The #1 Cosmetic Treatment in the world! Used to temporarily improve the look of crow's feet lines, frown lines between the eyebrows, bunny lines, and many other areas.

*2019 New Beauty Best Wrinkle-Erasing
Injectable award recipient.*

Dysport

A great alternative to Botox! An injectable form of botulinum toxin that combats wrinkles by paralyzing underlying muscles.

DERMAL FILLERS

Juvederm Voluma® XC

The first and only filler to correct age-related volume loss in the midface for up to 2 years. Our favorite because it gives you a natural uplifted look!

Juvederm Vollure™ XC

A hyaluronic acid-based gel filler used for treatment of nasolabial folds and facial contouring, with up to 18 months results.

Juvederm Volbella® XC

Used to increase subtle lip fullness and soften the appearance of lines around the mouth as well as improve the appearance of tear troughs for up to one year.

*2019 New Beauty Best Filler for
Plumper Lips award recipient*

Juvederm Ultra® XC

Adds fullness to lips.

Juvederm Ultra Plus®

Smooths parenthesis lines around your nose and mouth.

Restylane

Smooths away facial wrinkles and folds. Great for tear troughs.

Restylane Defyne & Refyne

Provides subtle lip enhancement and smooths lines around the mouth.

*2019 New Beauty Best Filler for
Laugh Lines award recipient*

Restylane Lyft

Adds lift and volume to cheeks and helps to reverse the signs of volume loss in the back of the hands.

BIOSTIMULATOR DERMAL FILLERS

Radiesse

Bio Stimulation dermal fillers work by stimulating your own body to produce collagen. Radiesse uses small calcium based microspheres which are suspended in a water based gel substance. This is a great treatment for neck, arms, knees, stomachs to help with crepey skin.

Sculptra

Great for global volumization loss. An FDA-approved injectable that helps gradually replace lost collagen - the most common protein in the body that is used to form a framework to support cell and tissue - for results that can last more than two years.

Body Contouring

CoolSculpting

Eliminates stubborn fat safely and effectively, without surgery or downtime. FDA-cleared procedure to use controlled cooling to safely target and eliminate diet- and exercise-resistant fat. Proven, noticeable, and lasting, so you'll look and feel great from every angle!

*2019 New Beauty Best Noninvasive
Fat Eliminator award recipient*

CoolTone

The latest innovation in body contouring. Tone, Firm and Strengthen muscles of the abdomen,

buttocks and thighs. FDA cleared to use Magnetic Muscle Stimulation to target only the muscle layer, inducing involuntary muscle contractions, giving a more defined and toned appearance.

Velashape III Body Treatment

The Optimal Cellulite Reduction & Circumferential Reduction Treatment. Easy, comfortable, and non-invasive with no downtime.

SKIN TIGHTENING

Ultherapy

The closest procedure to a facelift, without visiting the plastic surgeon! FDA-cleared, non-surgical, non-invasive. Uses ultrasound and the body's own natural healing process to lift and tighten loose skin.

*2019 New Beauty Best Nonsurgical
Skin Tightener award recipient*

- Brow Lift
- Neck
- Upper Chin
- Full Face
- Upper Face
- Chest
- Jowls
- Lower Face
- Tummy

Kybella®

The only FDA-approved injectable treatment that destroys fat cells under the chin, also called "double chin", to improve your profile.

*2015 Allure® best of beauty
breakthrough award recipient!*

LASER SKIN REJUVENATION

Sublative Rejuvenation

Similar to Fraxel, without the long downtime. Improves skin tone, texture, and scars. Smooths out the lines of time!

FotofacialRF

Safely treats Freckles, Age Spots, and Sun Damage while reducing the appearance of Fine Lines and Wrinkles!

SKIN PEN & PRP (PLATELET RICH PLASMA)

Skin Pen Advanced Microneedling

Increase new collagen and elastin production, reduce fine lines and wrinkles, and improve skin tone and texture. Increases collagen by 200%!

2019 Aesthetic Everything Best Scar and Skin Repair Treatment award recipient

- Acne Scars
- Stretch Marks
- Pore Size
- Surgical Scars
- Overall Skin Rejuvenation

Skin Pen with PRP (Platelet Rich Plasma)

Bump up your results even more by adding PRP, Platelet Rich Plasma. PRP is used to re-energize your cells into rejuvenating themselves. PRP used with microneedling increases collagen by 1000%.

PRP for Hair Loss

PRP therapy for hair loss is growing in popularity. In addition to being a non-surgical alternative, it's also a very quick and effective treatment. PRP therapy is very rich in platelets, which means a higher concentration of growth factors, making PRP very useful for hair growth.

MEDICAL-GRADE FACIALS

HydraFacial MD

Resurfacing procedure that provides cleansing, exfoliation, extractions, and hydration, including Vortex-Fusion® of antioxidants, peptides, and hyaluronic acid. Instant results with no discomfort or downtime. Immediately effective.

Allure Best Resurfacing Facial award recipient
